Dear Dr. Lallouche:

Dear Colleague:

We are pleased to inform you that you have been awarded \$250.00xxx to help defray your housing / travel expenses relating to your attendance at the Tenth Triennial Congress of the International Comparative Literature Association. A check for the amount will be waiting for you at registration.

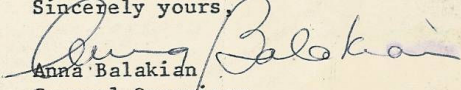

This stipend has been made through a grant from UNESCO.

Kindly inform us whether you have other funding and therefore do not absolutely need this award. If this is the case, can you recommend a colleague who is also on the program and has no funding or else a colleague whose career it would help to attend? Please provide this information on the bottom part of this page and return that part to our office.

If you have any questions concerning either your award or your participation in the Congress, please write to Peggy Escher and Chip Hilliard, the Assistant Organizers.

I look forward to seeing you in August.

Sincerely yours,

Anna Balakian
General Organizer
